

SERVANT LEADERSHIP

By Indira Newton

The line, "If anyone wants to be first, he must make himself last of all and servant of all," reflects Jesus' radical redefinition of greatness and leadership. It directly challenges the common worldly view where power, authority, and status are seen as the ultimate measures of success. Instead, Jesus teaches that true greatness lies in humility and selfless service to others. This teaching is a cornerstone of the Kingdom of God, where "the last will be first, and the first will be last." (Matthew 20:16). It stands in contrast to the disciples' argument over who among them was the greatest, reminding us that true leadership is not about ambition or superiority but about sacrificial love and humble service.

This call to humility alludes directly to Christ's own life and mission. Jesus, the Son of God, humbled Himself by becoming a servant, ultimately giving His life for humanity (Philippians 2:6-8). One of the most vivid examples of this is when Jesus washed His disciples' feet (John 13:1-17). In this act, He demonstrated that greatness in God's eyes is marked by serving others, especially those considered beneath us. Jesus' entire life was a testament to this principle, and His example serves as a direct call to each of us to embody servant leadership.

Throughout history, several figures have modeled this type of servant leadership. One such figure is Mahatma Gandhi, who is remembered not for seeking personal power but for his selfless service to the people of India. Gandhi's leadership during India's struggle for independence was defined by nonviolent resistance and personal sacrifice. He consistently referred to himself as a servant of the people, rejecting titles.

Similarly, Mother Teresa dedicated her life to caring for the poor and marginalized, particularly in the streets of Calcutta. She sought neither fame nor wealth, but her quiet, daily acts of service to the most destitute elevated her as a model of Christ-like humility. By serving those abandoned by society, Mother Teresa truly embodied the principle of making herself "last of all".

In the Bible, St. Paul is another exemplar of servant leadership. Once a persecutor of Christians, Paul's transformation after his conversion led him to become a tireless servant of the Gospel. Enduring hardships, imprisonments, and persecution, Paul lived not for his own benefit but to spread Christ's message of love and salvation. He wrote, "Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves" (Philippians 2:3-4). His life demonstrated the humility and perseverance Jesus calls for in all His disciples.

Even Jesus' disciples struggled with pride, arguing about who was the greatest among them. But Jesus responded to their ambitions by calling them to be "servants of all." This teaching reminds us that in God's Kingdom, true greatness is not determined by achievements or status but by the depth of our service to others. Jesus' message that "the first must be last" invites us to embrace humility and service as the defining marks of true greatness.

PREPARATION FOR JUBILEE 2025

Living the Year of Prayer

THE JUBILEE LOGO

The logo shows four stylized figures, representing all of humanity, coming from the four corners of the earth. They embrace each other to indicate the solidarity and fraternity which should unite all peoples.

The figure at the front is holding onto the cross. It is not only the sign of faith that this lead figure embraces, but also of hope, which can never be abandoned, because we are always in need of hope, especially in our moments of greatest need.

There are rough waves under the figures, symbolizing the fact that life's pilgrimage does not always go smoothly in calm waters. Often the circumstances of daily life and events in the wider world require a greater call to hope.

That's why we should pay special attention to the lower part of the cross which has been elongated and turned into the shape of an anchor which is let down into the waves. The anchor is well-known as a symbol of hope. In maritime jargon, the 'anchor of hope' refers to the reserve anchor used by vessels involved in emergency manoeuvres to stabilize the ship during storms.

It is worth noting that the image illustrates the pilgrim's journey not as an individual undertaking, but rather as something communal, marked by an increasing dynamism leading one ever closer to the cross. The cross in the logo is by no means static, but it is also dynamic. It bends down towards humanity, not leaving human beings alone, but stretching out to them to offer the certainty of its presence and the security of hope.

At the bottom of the logo in green is the motto of the 2025 Jubilee Year: Peregrinantes in Spem (Pilgrims in Hope)

CONGRATULATIONS TO HOLY TRINITY R.C. PARISH 'SALLTO FC'

By Samantha Carter

On August 24th, 2024, our parish football team, Holy Trinity R. C. Parish SALLTO FC participated in the Shepherd's Cup Futsal competition played at the Maloney indoor sporting complex. Our parish was represented in two categories, young adult and teen, both of our teams played to the best of their abilities and placed first and second respectively. Everyone in attendance enjoyed themselves engaging in fun and healthy competition. The team expressed their gratitude to God, for truly feeling His presence throughout the day's activities with no injuries and all players respecting each other.

In addition to placing first and second in their respective categories, the teams were awarded additional points for earning the Golden Boot and MVP male and female players in both categories. Mariah Matthew was awarded MVP Female in the teen category. She is a student at Five Rivers Secondary School. Although Mariah no longer trains with a football club, she has been playing since the age of 3 and plays in either the Midfielder or Striker positions. Jevon Roberts was awarded the Golden Boot and MVP Male in the teen category. He attends Eternal Light Vocational School and plays in the Striker position. For the young adult category, Samaki Felician was awarded the Golden Boot. He currently attends UWI and is pursuing a Major in Sports Management and a Minor in Marketing. Samaki does not play for any football club but has been playing the game for 16 years. Josiah Perez was awarded MVP Male in the young adult category. Presently he works at Swissport. He has been playing football for 12 years. He is the team's goalkeeper and is proud to be their captain as well. Chaunelle Lennard was awarded MVP Female for the young adult category. She attended CUC and is currently working at Prestige Holdings. Like her fellow awardees, she does not play with a professional club but has been playing for 18 years and plays in the striker position.

Our teams have dedicated their time, God-given talent, and efforts which they were deservedly rewarded. While natural talent and skill are major contributing factors, we must also acknowledge their coach, Mr Peter Roberts who is immensely proud of his teams. More than a coach, he views himself as a motivating influence in these young people's lives. Admittedly he does not like losing but he always encourages the teams to give of their best and be good team players. Mr Roberts gave special recognition to some of the players. He commended the female players who always strive for excellence. Additionally, he praised Samaki for being a fighter and always pushing himself. He also complimented Josiah for his tenacity which is reflected in his leadership as team captain, and to Jevon for his great team spirit.

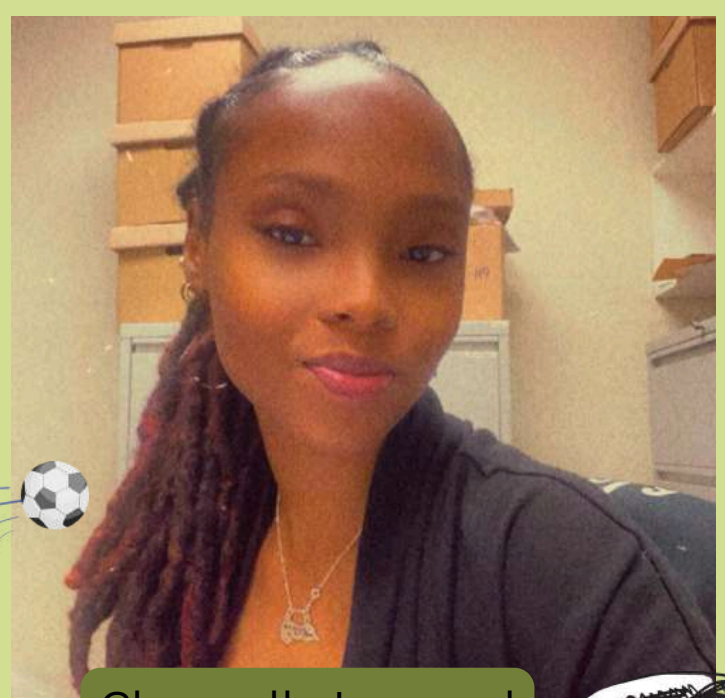

Mrs Indra Rambally, a parent who works closely with the teams, has extended an invitation to the last event in the Shepherd's Cup 2024, which is the Fun Day carded for October. The exact date will be announced soon. Parishioners are encouraged to look out for the notice to be part of the team to represent Holy Trinity R. C. Parish with hopes of winning The Shepard's Cup 2024.

On behalf of Fr. Gregory Mc Lawrence and the Parish, we say congratulations to both of our teams and Mr Rondell Hector who worked diligently to manage and coordinate the event.

Saint Vincent De Paul

Who was he?

Born to poor farmers in France, at 15 St. Vincent de Paul was sent to seminary and ordained a priest at 19. When he was 24, he was captured by pirates while at sea and sold into slavery. He as a slave for three years, when his third owner repented and snuck him back to France. Back in France, he served the Gondi family chaplain and began to serve the poor with the family's help. He later organized the wealthy women of Paris to help pay for assistance to the poor, hospitals, war relief and to free slaves in Africa. He also helped educate other priests.

Quick Facts

- St. Vincent de Paul's feast day is September 27th.
- St. Vincent was captured by pirates and forced to be a slave for three years.
- He created the Daughters of Charity, a group of wealthy women who helped those in need.
- He became the leader of the Congregation of the Mission, priests who were devoted to helping the poor and in small towns. They named the Vincentians.

Saint Vincent de Paul

Saint Vincent de Paul spent his life helping poor people. He brought toys and food to poor children and helped to bring them closer to God.

Almighty and eternal God, in your unfailing love you provide Ministers for your Church.

We pray for those whom you call to serve the Church. Inspire in them a generous response. Grant them courage and vision to serve your people. May their lives and service call your people to respond to the presence of your Spirit among us that, faithful to the Gospel and hope of Jesus the Christ, we may announce glad tidings to the poor, proclaim liberty to captives, set prisoners free and renew the face of the earth.

Father of all Mercies,
Provider of a bountiful harvest, send Your Graces upon those You have called to gather the fruits of Your labour; preserve and strengthen them in their lifelong service of You. Open the hearts of Your children that they may discern Your Holy Will; inspire in them a love and desire to surrender themselves to serving others in the name of Your son, Jesus Christ.
Teach all Your faithful to follow their respective paths in life guided by Your Divine Word and Truth. Through the intercession of the Most Blessed Virgin Mary, all the Angels, and Saints, humbly hear our prayers and grant Your Church's needs, through Christ, our Lord. Amen.

WHAT IS PRAYER?

Prayer is the raising of one's mind and heart to God, or the petition of good things from Him in accord with His will. It is always the gift of God who comes to encounter man. Christian prayer is the personal and living relationship of the children of God with their infinitely good Father, with His Son Jesus Christ, and with the Holy Spirit who dwells in their hearts.

HOSPITALITY

Hospitality must set the table for an encounter with Christ where God can be present to every person through each small act of kindness exhibited. In the Bible we read that Jesus feeds the multitudes with just five loaves of bread and two fish (John 6:1-14), teaching us that the miracle of hospitality lies in multiplying the gifts of love and generosity, often without us being aware of it.

However, providing a space to care for each person we meet can be a challenge. Hospitality must become a way of life and not just something to do. For that reason, it is important to remember that the practice of hospitality is never wasted and always multiplies in its own way. The beauty of small acts of hospitality is that they multiply and increase our capacity to open ourselves up to God and others.

Catholic Social Teaching presents us with a myriad of ways to practice hospitality and welcome, especially to those most in need. Consider integrating some insights from the social teachings of the Church more intentionally into faith formation lessons.

Our readings today bring to light the daily struggle between good and evil and how we can combat this struggle through gratitude.

In our Gospel, we see an example of how surrendering to our passions negatively affects us. Jesus was with His disciples when they began to argue amongst themselves as to who was the greatest in the group.

If we look at our own lives, we might find many instances where we fall into the same tendencies — we constantly compare ourselves to others, out of pride we feel the need to point out others' faults or choose to fight back in an argument. We know we should act one way but choose another.

When Jesus hears what the apostles are discussing, He has them focus on a child. "Whoever receives one child such as this in my name, receives me." If we reflect on the moment someone receives a child, oftentimes their hearts are overwhelmed with joy and gratitude for this gift. There is no jealousy or anger, just thanksgiving, and appreciation. The apostles are busy bickering about who was the best. Their vision was clouded, and they could not even stop and be grateful for the gift of being so close to our Savior and that they were chosen to be His closest followers.

When we are caught in the raging war of jealousy, fighting, and pride, and begin to become enslaved to our passions we are ultimately being ungrateful for what we have been given. We overlook the blessing God has given us and the gifts and talents He has entrusted to us.

Today, let us recall that we have an infinitely loving God who cares deeply for us. Consider all that He has blessed you with, and how you can use those blessings for His glory.

Prayer for Evangelization in a Parish

We pray for ourselves and for the people of our parish that all will be set ablaze with a desire to live our faith fully and share it freely with others. May our eagerness to share the faith bring a transformation to our whole parish. We ask God to open the heart of every Catholic, to see the need for the Gospel in each life and in every aspect of life.

We pray to Mary, the one through whom Jesus entered our world, to guide us in presenting Jesus to those who live in the geographical boundaries of our parish. May her prayers help us to share in her courage and faithfulness. May they lead us to imitate her discipleship, her turning to Jesus, her love for God and for all people. May the compassion that Mary always reflected be present in our hearts.

Also pray that, like the disciples walking that Easter morning to Emmaus, all Catholics may feel their hearts burning through the presence of Jesus. As those two disciples felt the presence of Jesus in their journey, we ask that the ministry of evangelizing help believers feel anew the presence of Jesus and help others discover his gracious presence.

We pray that the fire of Jesus enkindled in us by God's Spirit may lead more and more people in our parish, in every parish and diocese of our nation to become disciples, formed in the image of Christ our Savior. We ask this through Christ, our Lord. Amen.

Fruits of the Consultation in the Archdiocese of Port-of-Spain- Holy Trinity

Parish Update on the Synod Synthesis Document

➤ **In 2021** Synod began in our Parish with online conversations.

➤ **In November 2022** following the conversations in 2021, clergy, religious, and laity came together in a synodal way. They discerned that the theme of “Building Community, Inclusivity and Dialogue” had emerged as our pastoral priority.

In the ensuing months, the Archdiocese’s focus on formation in Christian spirituality, listening and discerning the will of God, and Conversations in the Spirit, led to a deeper understanding of synodality and steps to be followed in proceeding on the path of synodality.

It is this understanding of the role of the Holy Spirit as the “protagonist of the Synod”, as Pope Francis reminded the assembly in October 2023, that guided us towards deep listening and unity, which prepared the faithful for the next stage of the journey.

This preparation included an open invitation to the faithful to engage in formation which would prepare them to serve as facilitators, and also as participants, in the conversations which would take place in all parishes and among the laity, clergy, religious congregations, ecclesial and lay communities, commissions, parish councils and other groups. **In our Parish, the Parish Council and Ministry Leaders participated in the Conversations in the Spirit.**

As in the first stage of the Synod, some persons of other faiths also participated in the conversations.

➤ **On November 18, 2023**, the People of God, in the Archdiocese of Port-of-Spain, responding to the call to deepen the fruits of the **October 2023** Synod Assembly in Rome, gathered to celebrate the experience of synodality which began in 2021.

➤ In our Archdiocese, the Synod on Synodality has given birth to a tentative optimism and hope that the Church is on the brink of something new and exciting, which calls for a different way of being Church.

➤ During the period February to April 2024, the clergy, religious, and laity throughout the Archdiocese participated again in conversations in the Spirit, adopting the approach outlined by the General Secretariat of the Synod in Towards Synod 2024 (Vatican, 11 December 2023).

◦ The overarching objective was “to identify paths we can follow and the tools we might adopt to enhance the unique contributory charism of each baptized person” by engaging in deeper reflection guided by the question: **How can we be a synodal Church in mission?**

➤ The fruits of these conversations are presented in the Synthesis report to be shared with Parishioners shortly.

II. Our Synodal Experience

In the preparation of this synthesis, which brought together the views, opinions, hopes, fears, and aspirations of the participants in numerous conversations under the guidance of the Holy Spirit, one could not help being struck by the overwhelming convergence of sentiments and suggestions, as well as the reports on the feeling of consolation and hope that dominated the conversations.

Fruits of the Consultation in the Archdiocese of Port-of-Spain- Holy Trinity

Parish Update on the Synod Synthesis Document

Continued

The conversations were reported to have taken place in an atmosphere of openness to each other and openness to the movement and direction of the Holy Spirit.

Even as some participants acknowledged their disappointment and anger at times with issues such as the superficial nature of hospitality and the lack of inclusivity in some contexts, there was an outpouring of gratitude and deep emotion, in response to what was experienced as a stirring call to love and unity within the community.

Where there were expressions of doubt and fear about the genuine missionary commitment at all levels of the Church to be who we are called to be as disciples, these were overpowered and subjugated by a strong desire for unity and collaboration and a readiness to listen to the voice of the Holy Spirit within the community.

There was a call for humility, patience, and sensitivity as we moved forward and many participants expressed feelings of cautious optimism, excitement at the possibilities, and hope.

In general, the experience was described as enriching, fulfilling, and rewarding.

III. Our Missionary Commitment to Synodality

The broad areas of convergence which emerged from the conversations as priorities in our movement toward a synodal Church are:

- 1. Church as Community**
- 2. Prayer and Spirituality**
- 3. Learning and Formation**
- 4. Communication and Collaboration**
- 5. A Listening and Dialoguing Church**
- 6. Revitalizing Ministries**

Details on these priorities will be circulated shortly when we engage in the next step of the Synodal Process.
